**FCSS Overarching Goal**  
*How does this program or project contribute?  
 FCSS programs must be of a preventive nature that enhances the social well-being of individuals and families through promotion or intervention strategies provided at the earliest opportunity.*

Identify for each Outcome the SD that fits that outcome.	SD 1	SD 2	SD 3	SD 4	SD 5
<p><b>Strategic Direction:</b> <i>How does your program or project contribute to the overarching goal and five Strategic Directions in the FCSS Regulation? Which does it fit best?</i></p>	Help people to develop independence, strengthen coping skills and become more resistant to crisis.	Help people to develop an awareness of social needs.	Help people to develop interpersonal and group skills which enhance constructive relationships among people.	Help people and communities to assume responsibility for decisions and actions which affect them.	Provide supports that help sustain people as active participants in the community.
