HOW IT WORKS: Submit your nomination for the “VERMILION RECREATION FACILITY” at the above link - **BEFORE SEPTEMBER 22ND**.

Afterwards, the **KraftHeinz** panel will determine the final score and select the Top 4 finalists. These finalists will be voted on by you and your fellow Canadians to determine who will become the 2019 Kraft Heinz Project Play Grand Prize Winner of \$250,000 for their project.

Your “NOMINATION” is your story of why and how this facility is important for you, your family, friends and generations to come. Hockey, Curling, Figure Skating, Pond Hockey, Lacrosse, Roller Derby; you get the idea! Anyone, any age can nominate. Not sure how to tell your story? Contact **Community Services:**
