MEDIA RELEASE

The Town of Vermilion is working with our Healthcare partners at AHS, to insure that Vermilion is as prepared as is reasonably possible in light of the fast moving events with this COVID-19 pandemic. We will make necessary announcements as the situation dictates, and based on the best Medical advice that is available to the town. We are aware of a positive case in Vegreville, and will take any local action in conjunction with advice from AHS

In the meanwhile, please visit the Alberta Health Services website at the link below

<https://www.alberta.ca/coronavirus-info-for-albertans.aspx#toc-3>

Practice good hygiene by washing or sanitizing your hands thoroughly, and avoid any unnecessary contact with anyone who may be demonstrating signs of possible infection, or anyone who may be immune-compromised, such as the elderly (for yours and their protection).
